Supervisor Kyle Barmhart makes a motion to appoint Community resident Maura Toole to the Town of Lodi Planning Board. Motion in the second by Councilman Seth Thomas. *Supervisor calls for discussion before vote is held.

Councilman Trevor Sibley ask what the situation is on the re-appointment of standing member Noel Clawson, a 13-year member of the planning board. Noel Clawson also giving letter of interest formally to the board. Supervisor states that he received a letter of interest from Maura and that his recommendation was/is she, as he makes mention of her energetic involvement of other water committee's and community preservation.

Noel Clawson stands to address the Board and stresses that she does want to be on the Planning Board and that she is up to the task of the comprehensive plan and asked that understanding be taking in the fact that Covid effected meetings and progress, appointed members not attending prevented meeting progress because of quorum. That up until recent her and standing chair Lynee Rosbaugh, had been the only 2 that held together the board or any plan at all. That she does not find interest in the steering committee and does wish to receive support and re- appointment from the Board.

Supervisor adds discussion, offering that Maura be appointed as a member, and that Noel be retained as an alternate or; even possibly be appointed to the forming steering committee of the Planning Board. The current local law would not permit an alternate position, but would allow an increased number of 5 members to the number of 7 members, allowing alternates as well, if the Town so chooses to amend the local law.

Deputy Supervisor Luke Latini adds to the discussion of amending the local law, and directly appointing 7 members of the board. He nominates and recommends that Noel Clawson remain on the board. That the many years of service and voluntary work to the board is to be recognized. Councilman Trevor Sibley

seconds the motion created by Deputy Supervisor to re-appoint Noel, amend the local law and then add Maura.

Planning Board Member Debbie Cummings adds to the discussion of an inactive member appointed to the planning board. Mark Benjamin, was appointed to a 4-year term and has made little attendance, in her statement it was a ratio of less than one meeting a year. That his empty chair could be used by Maura. Councilman Trevor Sibley states that he will take the action of contacting Mark Benjamin and see what the status of his interest in the committee still is.

Chair Woman Lynne Rosbaugh adds to the discussion that her recommendation of the Board is to have both. To bring in Maura as she also feels that Maura has assists, and ideas to bring, but that her nomination and recommendation of the chair is for Noel Clawson.

Councilman Chance Van Cleef adds to the discussion, and recommends and nominates standing member Noel Clawson and ask that the board table the vote, until contact has been made with Mr. Benjamin and looking into the change or amendment of the local law and what it entails of member policy.
